

As an agent representing the Czechoslovak Society of America (CSA), you are required to complete a base AML training course and thereafter renew your training every two years from the initial training date. CSA is providing you the opportunity to complete AML training through LIMRA on-line, free of charge. Failure to do so can result in a delay in business. If you have completed your AML training through another provider please provide us with proof of completion. Log onto the course at: <https://aml.limra.com>

- Your Username is the first four characters of your last name (lowercase) combined with the last six digits of your social security number, unless otherwise communicated.
- If this is your **first time** logging on to this site, your Password is your last name (lowercase). If you **have previously** accessed the course, please use the password you created at that time.
- If you have forgotten your password, make sure that your username is filled in and click “forgot password.” You will be prompted to answer your security question. Answer the security question correctly and it will allow you to reset your password.
- Please note that you will not receive a paper certificate of your completion of the course. The Home Page indicates whether or not you have completed the assigned materials. You do not have to notify our office when you complete the AML Training Course. LIMRA will provide us with a report informing us that you have completed the course.

Should you have technical questions accessing the training site or navigating within the LIMRA site, please contact LIMRA technical support partner’s help desk at support@cfmpartners.com or 866-364-2380.
