

CSA SERVES Introduction

The CSA SERVES program allows lodges to choose the charities, groups, or causes to which they donate and volunteer, whether they be large or small. Many lodges have chosen local groups to support, which has proven to be an excellent way to build CSA Fraternal Life's recognition and presence in the communities across the United States.

In recent years, we have had to adapt to the ways in which we can donate our time. The world has changed, in that today, volunteers are carefully screened beforehand or politely rejected as a matter of policy. Additionally, former projects like Habitat for Humanity, Planting Gardens, etc. are now too physically demanding for many members. For these reasons, it is so important for our lodges to continue supporting the charitable organizations they have established relationships with. The local food pantries, centers, shelters, and so on are so thankful for your help. The numerous thank-you cards and phone calls that we receive at our Home Office are a testament to that fact.

As of 2021, we have decided to allow animal-based organizations (such as the ASPCA, local animal shelters, etc.) because we firmly believe that pets are beneficial to humans, happiness, and healing.

Wherever you choose to donate your time and money, we wish you the best of luck and "happy giving" during the year 2023.

"The secret to happiness is helping others."

Fraternally,

Additionally, volunteer work that we contribute to our charity of choice is valued at \$2.50 per hour per volunteer with the compensation paid directly to that organization.

Our Lodge _____ # _____ has chosen to support your organization with the enclosed donation of \$ _____ to use as you see fit. A copy of this letter is sent to the Fraternal Department of CSA Fraternal Life for their matching funds donation which will be sent directly to you.

We are pleased to help support such a worthy cause as yours and wish you much success in all of your future endeavors.

Sincerely yours,

Lodge Secretary
