CSA Fraternal Life  
(Czechoslovak Society of America in New  
York) was founded in 1854 in  
St. Louis, Missouri by Czechoslovak  
immigrants who wanted to provide  
financial security for their loved ones upon  
their death. We are America's oldest  
Fraternal Benefit Society. We continue to  
appreciate our Czech and Slovak ancestors,  
and we strive to continue their legacy of  
equality, harmony, and fraternity. Our  
membership is open to all individuals of  
good character that share a common value  
system and meet our underwriting  
requirements.

# FRATERNAL BENEFITS AND PROGRAMS

CSA Fraternal Life is owned by its members and governed by its Officers and Board of Directors. In addition to providing affordable life insurance and annuity products, CSA offers valuable benefits to our members and their families.

## Annual Get-Together

Members attend a weekend event including evening banquets, a service project, a queen contest, and various activities in a popular U.S. city that changes every year.

## Bowling Congress

Members of CSA Fraternal Life, ages 16 and over, are eligible to compete on a team. This annual event takes place in the springtime in a designated U.S. city. Call the CSA Home Office for more information.

## Car Rental Discounts

Members enjoy special year-round discounts on vehicle rentals for traveling worldwide. Car rentals are offered through Hertz® and Local Hospitality Inc. Call the CSA Home Office for more details.

## CSA Serves

Lodges across the country select one or more local charities or community agencies to devote their time and/or monetary donations. Monetary donations made by a lodge are matched by 50%, as well as \$2.50 per volunteer hour, supplied by the CSA Home Office.

## Hotel Discount Program

CSA Fraternal Life members, friends, and family have access to a worldwide inventory of hotels at exclusive discounted rates. Hotel discounts are offered through Local Hospitality Inc.

## Join Hands Day

The only national volunteer day, usually held in May of each year, that specifically targets and develops relationships between young people and adults through neighborhood volunteering.

## Jr. Bowl-o-Rama

A nationwide bowling event for members and guests, ages 5 to 17, that is held in the spring. Bowlers may participate with the lodge or district, or they may bowl independently.

## Miss National CSA Contest

A competition held every year at the Annual Get-Together in which unmarried female CSA members between the ages of 18 and 23 compete for the title of Miss CSA. Throughout the year, the chosen winner will write monthly articles for *the Journal*, travel to lodges and fraternal events as our Good Will Ambassador, and overall, spread the word of CSA's good works and activities.

## Nursing Home Care

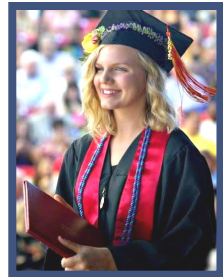

The surrender charge associated with a CSA annuity certificate withdrawal being used in total for custodial, intermediate, or skilled home care may be waived if certain qualifications are met.

## PerkSpot

Members are offered thousands of discounts on gyms, travel organizations, restaurants, apparel, and other various merchants through PerkSpot. Call the CSA Home Office for more details.

## Scholarship Program

CSA members who meet certain requirements are awarded scholarships based on grade point average, college placement scores, CSA and extracurricular activities, and essays. Students seeking a certification in a trade school; college or university degree; master's degree or post-graduate studies; or other professional program of study may apply. Awards for 2015 ranged from \$2,000 to \$1,250.

## ScriptSave®

A program for CSA members who want to save money on their prescriptions. There is no enrollment fee. Households enjoy savings on brand name and generic prescriptions at more than 62,000 pharmacies nationwide.

## The Journal

This free monthly magazine keeps members up to date on events within the Society. *The Journal* is also a forum to talk about new financial products, and it features seasonal articles on ethnic traditions and other activities. Members and lodges are encouraged to send articles for publishing to the Home Office. *The Journal* is sent via mail and is available online at [www.csalife.com](http://www.csalife.com)
